

HELP US BUILD OUR CLUB!

We're Raising \$10,000 in Sponsorship in the Next 2 Weeks to Build Our Clubhouse!

At Magic United Soccer Club we have approx 350 junior and senior players. We're based at Carrara on the Gold Coast, however unlike most other clubs we currently don't have a clubhouse and change rooms at our grounds.

The good news is our building plans have just been approved by council and we're now ready to go. We have some very generous tradesmen donating their labour, so we just need to cover the costs of the building materials.

We're asking local businesses or families to become a Foundation Sponsor and "Help Us Build Our Club". Sponsorship amounts are \$500, \$1000+ or \$2000+. All contributors will be proudly recognised on our Foundation Sponsors Honour Board. We're aiming to raise the sponsorship and have it built all in the next 2 weeks for the grand opening at our first senior's home game on the 12th June.

Can You Help Us Build Our Club?

(or know somebody that might?)
